DANGER
DO NOT GET UNDER THIS TRAILER

This trailer is equipped with air suspension and may tip, roll, suddenly and without warning, losing several inches causing crushing injury or death.
Jack stands should be placed under all four corners of the floor of this trailer before any service or repairs are attempted.

WARNING
Check following items each time before leaving trailer:
✓ Make sure all doors, latches, and gates are closed.
✓ Check tire air pressure. Check tire tread. Do not use tires with uneven wear.
✓ Check oil and hydraulic levels. Do not use oil or hydraulic fluid that is old or dirty.
✓ Make sure you are properly secured to the tow bar.
✓ Make sure the trailer is properly hitched to the tow bar.
✓ Make sure the trailer is properly secured to the tow bar.
✓ Make sure the trailer is properly secured to the tow bar.
✓ Make sure the trailer is properly secured to the tow bar.

WARNING
Do not operate this trailer unless you have read and understand the safety information in the owner's manual.
Failure to properly operate and maintain the towing vehicle and trailer can result in injury.

WARNING
Do not walk on roof
If not avoided, could result in injury.

WARNING
CHECK WHEEL LOCK
If the air system fails, the trailer will lock up and may not be able to move. Check the air system before leaving the trailer.

ADA
The Department of Justice has issued a notice of proposed rulemaking to amend the regulations under the Americans with Disabilities Act (ADA) to address the needs of individuals with disabilities who use wheelchairs. The notice is effective on 10/28/2010. The notice is available on the Department of Justice's website at: <http://www.dhs.gov/xgov/programs/ada>. The notice is also available in the Department of Justice's Office of Information Access at: <http://www.dhs.gov/xgov/programs/ada/ada.htm>.

- 3. Close doors and windows in order of separation (indicated) while any vehicle is present.
 - 4. Run fuel out of engines of stored vehicles after shutting off fuel at the tank.
 - 5. Do not store, transport, or dispense fuel inside this vehicle.
 - 6. Open the windows, openings, or air ventilation systems provided for venting the transportation area when extractions are present.
 - 7. Do not operate propane appliances, pilot lights, or electrical equipment when motorized vehicles are present.
- FAILING TO COMPLY COULD RESULT IN AN INCREASED RISK OF FIRE, EXPLOSION, APPROPRIATION, DEATH, OR SERIOUS INJURY.
