MAKE-A-WISH

Speedco Wishes

Speedco has worked with the Make-A-Wish Foundation® since 2004 when they granted the wishes of two children in Indiana. Jake and Trey Taylor, twin boys from Madison, Ind., each asked for a wish to be granted. With the help from Speedco and Shell's donation, Jake and Trey each received their wish, a big screen TV and an arcade game. In November, 2004, the boys and their family celebrated at Speedco's Indianapolis store.

Speedco President & CEO Mark Clark commented, "We are honored to support this cause through our contributions from this exciting event and truly applaud the efforts of the Make-A-Wish Foundation®."
