The instrument panel is a black rectangular unit with a silver border. It features two circular gauges at the top: the left one is labeled 'PSI' with a scale from 0 to 80 and a red needle; the right one is labeled 'WATER' with a scale from 0 to 250 and a red needle. Below the gauges is a digital odometer showing '00000' miles. To the right of the odometer is a 'START' button with a green indicator light and a rotary switch. Below the start button is a 'STOP PREHEAT' button. The 'Power-Pole' logo is visible at the bottom center of the panel.
